TESTIMONIALS

- Our best stay in 10 years of coming to Mcleod Ganj. From stay to staff, from food to hospitality everything was Excellent.
“Raman Gupta”
- I will never forget my stay at UNA Hotels. This is really one of my nice stay in my life. The staff, food, amenities an excellent here. People here are very soft spoken, very cooperative. I would suggest rather recommend my friends & relatives to stay here in UNA Hotels in Nainital.

LAUNCH OF

The term spa is associated with water treatment which is also known as balneotherapy. Spa towns or spa resorts (including hot springs resorts) typically offer various health treatments. The belief in the curative powers of mineral waters goes back to prehistoric times. Such practices have been popular worldwide, but are especially widespread in Europe and Japan. Day spas are also quite popular, and offer various personal care treatments.
